HOBBIES

Graphic Design

I create logos, graphics, and digital art.

Sketching

My sketchbook is on hand to record notes and experiences.

Painting

Self taught artist in acrylic and watercolor mediums

Volunteering

Giving back to the community brings me joy.

DJ / MC

It is a privilege to contribute towards others special events.

Photography

I enjoy capturing scenes and moments in life.

WORK EXPERIENCE

Tikur Solutions

Indianapolis, IN | Oct. 2025 - Current

Owners Technical Representative - Project Engineer

Tikur Solutions operates as an extension of the owners staff during construction and design phases. I document findings and reports, record progress development, facilitate communications, and consult on directives for the owners vision.

WDi Architects

Indianapolis, IN | Jan. 2024 - Aug. 2025

Project Architect:

At WDi we focus on civil and residential projects. I have gained experience in developing work for private owners and fulfilling project management duties. I assist with intern and new hire training by coordinating projects to meet their skill level, guiding them through office standards, and providing general assistance.

Entheos Architects

Indianapolis, IN | Jan. 2021 - Dec. 2023

Graduate Architect: Entheos Architects is a small architecture practice with a focus on religious architecture. They have a long lasting relationship within the Midwest catholic community. I have assisted in every stage of the design process, working on projects such as; cathedrals, chapels, offices, classrooms, and more. I also assisted with office management and vendor or consultant coordination. This office closed at the end of 2023.

Schmidt Associates

Indianapolis, IN | Jan. 2019 - Aug. 2019

Architecture Intern: At Schmidt associates I worked modeling existing buildings and assisting architects with projects. I participated in meetings and loved engaging with the office culture. It was a pleasure to learn from my daily experiences in the office.

AFFILIATION

AIA YAF Member

Summit: Mission 2130 | 2022

Participants worked as a team and used AI to develop an ideal of what the world could become in 100 years. We established a timeline of events and proposed architectural interventions to achieve these ideals and presented our findings at a design charrette competition.

Latinx Student Union (LSU)

Student Body Org | 2015 - 2020

Outreach Director: For this position I would table and reach out to the Ball State community, organize marketing strategies, and photograph events. I also started "Bellas Artes" a student art showcase for the university that continues to be held annually.

National Organization of Minority Architects (NOMAS) | 2015 - 2024

Sigma Kappa Gamma Eta Chapter | 2016 - 2020

AWARDS

Architecture Construction and Engineering (ACE)

Scholarship Recipient | 2012 - 2014

North Central HS - Mentor of the Year Award | 2026
